 The Contractor is to report all dimensional discrepancies & errors to the Contract Administrator prior to construction commencing.  
 It is essential that this drawing is read in conjunction with all specifications/ schedule of works & that all works are included for.

**SAFETY HEALTH AND ENVIRONMENTAL (SHE) INFORMATION**  
 Based upon the assumption that all works will be undertaken by compliant contractors working, where appropriate, to approved method statements, the designer would draw the reader's attention to the significant residual SHE risks that have not been eliminated from the design process or this drawing by the design process.  
**CONSTRUCTION, OCCUPANCY AND DEMOLITION**  
 (List below the significant residual risks for EACH of these three phases of operation).  
 (These are not intended to be exhaustive lists of risks and are not intended to be a substitute for the contractor's own risk assessment and should not be used as a basis for any other assessment.)

**Occupancy Areas Key**
