 It is essential that this drawing is read in conjunction with all specifications/ schedule of works & that all works are included for.

SAFETY HEALTH AND ENVIRONMENTAL (SHE) INFORMATION
 Based upon the assumption that all works will be undertaken by competent contractors working under appropriate, approved method statements, the designer would draw the user's attention to the significant residual SHE risks that have not been eliminated from the design shown on this drawing by the design process.
CONSTRUCTION OCCUPANCY AND DEMOLITION
 (List below the significant residual risks for EACH of these three phases of operation).
 (These are not intended to be a substitute for a detailed SHE risk assessment or a SHE plan. They are for general information only and should not be used as a basis for any decision.)
