

PE and Sports Premium 2017-2018

What is the Sports Premium?

The government is providing additional funding of £150 million per annum this year to improve provision of physical education(PE) and sport in primary schools. The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Key Principles

St Mark's Primary School uses the Sports Premium funding according to the following principles:

- Ensuring a focus on the delivery of high quality PE teaching which raises achievement and increases rates of participation and meets the needs of all our learners.
- Providing unique opportunities through PE and Sport for children to learn about healthy lifestyles and develop personal qualities such as self-confidence, resilience, leadership, initiative and self-control.
- Extending our offer and pupil participation in extra and additional curricular PE and Sports activities.
- Enhancing links with other schools and organisation in the wider community through engagement in competitive sports events.
- Using PE and Sport as a vehicle through which we can enrich learners' creative and aesthetic awareness.
