Dear Parents and Carers,

Over the last two days teachers have been busily preparing the school for the children's return and we are looking forward to seeing everyone on Monday.

We have made some changes to the starts and end times of the day for some classes and ask you to note the table below and where your children will be entering and exiting and at what time as some of these have changed since our last communication. In order to keep our community safe and avoid overcrowding and unnecessary queuing on the pavements outside the school gates we ask you to arrive at school *no earlier* than the allotted time. To enable us to get a large number of pupils onto and off the site safely we have allocated short time slots and will be implementing some queuing and one way systems and we would appreciate your cooperation and patience.
