Dear Parents and Carers,

Ofsted Inspection 27th and 28th September 2022

We have great pleasure in sharing with you our latest Ofsted inspection report. As some of you may know this was an ungraded inspection carried out under section 8 of the Education Act 2005. The outcome of the inspection is that we continue to be a **good** school.

Whilst we were judged to be a good school in our 2017 inspection, the Ofsted framework has changed significantly since then, with a new inspection framework placing a greater focus on the wider curriculum and on the personal development of pupils. We are incredibly proud of this report and the progress we have made since our last inspection.

Many thanks for your continued support,

Best wishes
Sophie Liardet
