

Outdoor Play and Learning (OPAL) at St Mark's

OPAL is continually developing and growing at St Mark's and each week, we remind children about and encourage them to play in different ways.

As it grows colder and wetter, please do remember to dress your children in appropriate coats and shoes as they will be out in all weather types.

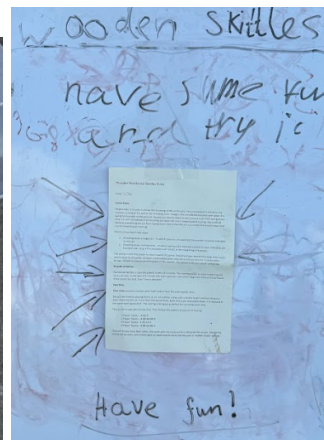

Golden Boot Winners: **Ayoub, Sienna, Mia and Alex in 2D** for using all different types of play over the week and being great at helping to tidy up.

Here are some of the different ways the children have been playing:

Social Play

Where children explore and develop different rules for social engagement.

Exploratory Play
Play to access
information
consisting of
manipulative
behaviours

Role Play
Explored way of
being. For
example brushing
with a broom.
